Nowadays, news of the source of the robber is regularly seen in social media and media. This time the victims are actor Aaron Rashid. He was killed on his way back after the shooting at around 11 pm on Saturday. He wrote the news through social media at night, 'Kanchan is carefully cautiously from 300 feet to Kuril World Road night. Today I ate the cut you can eat tomorrow. If CNG start is closed at night on that road, you will catch the cut. As it has been mine. The body has not passed over the money. The mobile is given by the drama. Thanks to the snatching brothers. '

When contacted, Haroon Rashid told Dhaka Mail that he had a two -day shooting in the place known as Madam's house in Rupganj. On the way back from there, he can eat nine thousand rupees in the abyss of the robber near the blue market. In his words, 'After five to seven minutes from Kanchan, the road on the left is a little dark before crossing the market. That's where the incident happened. I was in CNG. CNG stops at that place. Two bikes come out within 3-5 seconds. The CNG driver said there was a gas problem, the car was not starting. I've heard a lot before. So whenever I was sewn, I was probably in danger. Then the bike comes in two. '

The actor then said, 'They had a chapatti in their hands. I heard that the coop with the chapati gives the top. Because of that, they say the wallet, mobile with the mobile. Was in the bag with. Very smart boyfriend. Saying, there is nothing but clothes in the bag. Another boy was saying he was acting. His mobile is not. If we take it, we will get into trouble. Take the money and say goodbye to him. I was saying the words to me. Within a short time the work was done. Then they passed the storm through the left road. '

Harun Rashid said, 'Then I was silent and sat on the pavement. A lot of cars were going. If you use the unit's car. Today they were asking to go to the unit's car. But I thought when the unit was in the car, it would play two or three at night. So I was coming alone. And when I asked if he would take legal action in the incident, he said, "Nothing will happen. I also saw a police car in front of the blue market. Didn't talk to them. It's gone They are now coming. It seems very normal to me. But I'm scared. Because this was the fear if the coop tops. Became traumatized. I was sitting in the street for half an hour. The phone that I would call someone, the bag I would walk, I did not have the power to go from darkness to light. '

Referring to the status on Facebook to warn colleagues, the actor said, "I have given the status because of the siblings of our media
