Actress Sadika Parveen Papi is now in a lot of discussion that the incident of forcibly occupying the land. His family members have been accused of trying to occupy the land against him. Even GD has been made against Poppy. The heroine talked about the matter I was a machine to print money to the family: Papi

Actress Sadika Parveen Papi is now in a lot of discussion that the incident of forcibly occupying the land. His family members have been accused of trying to occupy the land against him. Even GD has been made against Poppy. The heroine talked about the matter In a video message sent to the media on Thursday, Papi said, "The family has taken all the money I have earned from me this year. Because I had nothing but my body. Many of the property bought in my money was not bought in my name. The accounts are zero. Once upon a time, people need some things to survive. When I saw my family took me everything. Still I was silent. I have been persecuted by the people whom they have done in the collapses.

They physically tortured me. I planned to steal my money and kill me. Not only that, the murderer also hired me to kill me. ' Earlier, his mother Maryam Begum Mary spoke against Poppy on Tuesday. Poppy cried in the video by mentioning her mother. He said, 'Mother is a big thing that is not compared. But not all mothers on earth are good mothers. Unfortunately my mother might not have loved me that way. Because, to my family, I was a golden duck, a cow with milk or a machine printing machine. .
