When the matter created a lot of discussion, Ittefaq digital reporter went to Srejin and went to Dhanmondi number 32 and verified the authenticity. Upon visiting the house, it was found that construction work was completed up to two storeys in an under construction building next to Sheikh Mujibur Rahman's house in Dhanmondi No. 32 There are several other floors in the underground of the building.

This is basically a parking area after falling down to Dulai. But below it is likely to have multiple floors. No one dared to get there because the floor below the floor of the three -storeyed water. The stairs to go down due to transparent water are clearly seen, which is more of the building

The house was vandalized on Wednesday night (February 7). There were crowds of people on Thursday and Friday. An eyewitness said, "Underneath the house we found a few rooms, but it could not be entered, because the whole place was filled with water. This is very questionable. '

Another eyewitness said, "In the five -storey structure this house, the Awami League has built another mirror with their own forces." Students claim, "This secret structure can probably be a mirror, where Sheikh Hasina's forces secretly tortured. DGFI and DB, Hasina and her party Awami League have built another new mirror in the mirror. '

There is widespread discussion on the issue on social media, and eyewitnesses are giving the opinion that it is necessary to verify its authenticity through investigation,,
